- ▶ Intergraph, Design Engineer, Software Developer, Business Consultant
- ▶ Notable Accomplishments: cadgurus.com, photogeoDWG/DGN

VBA – is it easy?

- ▶ Getting started is easy
- ▶ The details, not so much
- ▶ You won't learn VBA in an hour
- ▶ Pick a project – try to build something

I'm not a programmer!

- ▶ 48% of respondents to the 2015 stackoverflow survey do not have a degree (at least not in programming)
- ▶ I do not have a computer science degree
- ▶ <https://www.linkedin.com/pulse/you-self-taught-coder-join-club-mark-niemann-ross?trk=hp-feed-article-title-like>

To-Do List

- ▶ How do I get started – The Five Minute VBA
- ▶ MicroStation Examples:
 - ▶ Record
 - ▶ Hello World
 - ▶ Change Color
- ▶ Batch
- ▶ ACAD Examples: Ditto
